9. Do you have any other comments to add to your evaluation?

Please keep your comments constructive and professional, abiding by the Principles of Community

- Kept things simple. Really helpful if I didn't understand the concept. Not judgmental if a simple concept was forgotten and would gladly help jog my memory. I only attended his office hours once but he helped me the most by helping me with my worst subject.
- Presented concepts very clearly, provided great examples and tips for digesting concepts, and genuinely supportive.
