Open-Ended Responses

1. In what ways did your instructor make learning possible for you during the Fall 2024 semester?

Comments

He would go over the problems we did in recitation, which I don't think was something he was required to do.

2. Which aspects of this course should be kept for future times this course is taught?

Comments

Going over the problems on the board when we had questions on them.

Department Specific

If you would recommend this Instructor for a teaching award, please briefly explain why.

Comments

Yes, he was always patient and he explained the math very well.
